School-Wide Charity Fundraising Cookie Order Form 2023-2024

Dear Parents,

Every fundraising drive is an opportunity to educate students. This year, our fundraising campaign begins from Nov 10 until Dec 10, will address “keeping people safe while they are on the move and displaced from their homes”. Millions of people have become “refugees” as they are “forced to flee” from their homes due to natural and man-made disasters in areas beyond the relief capacity of national authorities alone!

In response to the ongoing emergencies in multiple countries, we continue to collaborate with The Office of the United Nations High Commissioner for Refugees (UNHCR) established in 1950 to coordinate humanitarian relief of emergencies. We are honored to have invited Mr. Steven O’Brien, UNHCR Senior External Relations Officer in China, to be in school on Nov 10 to share with teachers and students about the situation, how UNHCR is helping, and how you can support people forcibly displaced. Here is a link for information: <https://www.unhcr.org/emergencies/ongoing-emergencies>

A local baking factory will sponsor Macao Specialty cookies at a discounted price to encourage our fundraising effort. Each specialty flavor is priced \$30 per box for your purchase with all profits to be sent to UNHCR. Sales booths in school will be available on Nov 11 and Nov 25 with cash and Mpay payment options.

While every act of support is voluntary, we thank you for the consideration and trust you put in the MAC School-Wide Charity Fundraising.

Best regards,

MAC Fundraising Team 2023-2024
