Withdrawal notices of students leaving the school at the end of this academic year must be submitted to our Administration Office by 30th April 2026.

Thank you to everyone who has supported our LED screen fundraiser. Your generosity has brought us so close to our goal. To date we've raised MOP 251,216.30. We still need MOP 48,783.70 to reach the full amount. A special thank-you to our lead donor for their incredible support.

Fundraising Goal

For parents and donors who wish to support this initiative through a voluntary donation to help us reach our goal, please contact our finance office.

All students (except secondary students who are subject to a separate rule) must wear the summer formal uniform from 8th April. The PE (sports) uniform is to be worn only on scheduled PE days.
